- **Connection Ministries will provide all supplies needed for this craft.**

2-toilet paper rolls

2-pieces of colored paper

1-piece of yarn

Stickers

Colored markers (optional)

Scotch tape

Single hole punch

1. Cover toilet paper roll with the colored paper by taping the short end of the paper to the tube.
2. Wrap the paper tightly around the tube and secure it with tape.
3. Repeat steps 1-2 with the second toilet paper roll.
4. Put the two covered rolls side by side to make your binoculars lining up the ends so the rolls are even.
5. Use scotch tape at each end of the rolls to secure the 2 rolls together.
6. Using the hole punch, make a hole on each of the outside edges of the binoculars.
7. Tie one end of the yarn to each of the holes you just made. This will allow the friends to easily hang the binoculars around their necks.
8. Decorate the binoculars with the scripture verse, stickers, and markers as desired.
